

17th Century stone fireplace with carved trumeau and sculpted cornice

This antique fireplace in stone with large openbox has a pair of jambs with corbels, a decorated monolithic lintel, a thin molded shelf, a trumeau finely carved with various motifs (frame, moldings, pilastres, garland...) and a large overhanging molded cornice. This stone fireplace with trumeau dating from the end of the 17th century is of the Louis XIV style by its trumeau and cornice.
