

Beautiful wall-fountain with sculpted arabesque ornaments

This large wall fountain was entirely made of authentic old stones. Its bonded pediment is carved with fine arabesques. It is topped by a large cornice and enhanced by side corbels. Its rectangular basin, also made of aged and patinated stones, has large curbstones. The old cast iron water outlet allows a large flow.

Height 200 cm
Width 170 cm
Depth 130 cm

- Basin's height : 62cm

Price
4500 €
