

Garden fountain with double antique stone troughs and cast iron pump

This charming rustic-looking fountain is an elegant garden fountain with 2 antique monolithic troughs (a small trough with bucket-rest bars and weir rests on top of a larger rectangle trough) and a column made of ancient stones on which is installed a tall antique cast iron manual water pump.

Height 190 cm
Width 195 cm
Depth 52 cm

- Basin's height : 50cm

Price
3700 €
