

Small rustic wall-fountain with massive trough

This small wall fountain in antique stone is quite charming. It is composed of an antique monolithic basin (an old farm trough) and of a pediment topped by a flat cornice and adorned with an old wrought iron water outlet with volutes. A rustic garden fountain !

Height 146 cm

Width 83 cm

Depth 90 cm

- Basin's height : 56 cm

Price
3000 €
