This charming wall fountain made of old stones is a garden fountain handcrafted in Provence and inspired by the washhouses of our countrysides: antique monolithic stone trough carved in the shape of wash-house basin and narrow pediment in dressed stone surmounted by a diamond-shape capital. Beautiful natural patina.

Water outlet in forged wrought iron.

Height 140 cm

Width 77 cm

Depth 130 cm

- Basin's height : 48 cm
