

Large garden wall-fountain in stone with devil heads pouring out water

This beautiful garden fountain is a large wall fountain crafted in old natural limestone : rectangular basin in paired stones, wide margins, finely carved pediment (columns and devil heads as a water outlet), beautiful indented cornice. Nice natural patina.

Height 170 cm

Width 278 cm

Depth 210 cm

- Basin's height : 50 cm

Price
6370 €
