

Pretty small water fountain in old patinated stones

This pretty little garden fountain is a nice water-point composed of ancient stones patinated by time. It includes a rectangular slender pediment with a molded casing and an old metal faucet. This pediment is highlighted by a superb serrated cornice. The very shallow and rectangular basin has a nice antique wrought iron grid as rest-bucket.

Height 98 cm

Width 61 cm

Depth 80 cm

- Basin's height : 10 cm

Price

950 €
