

Ornamental garden fountain in old patinated stones

This large wall fountain handcrafted in Provence is a creation made from authentic antique natural stones. This garden fountain has a pediment paired in stone and carved in the shape of an arch. It presents a wrought iron water outlet that allows the water to flow into a first rectangular basin to then overflow into a second lower basin thanks to a large antique gargoyle in stone. Rounded copings and beautiful patina.

Height 157 cm

Width 270 cm

Depth 230 cm

- Basins' height : cm & cm

Price

5775 €
