

## Large garden wall fountain with 3 narrow pediments in stone and wrought iron

This large garden fountain is a wall fountain hand crafted in Provence using quality reclaimed materials. This one-of-the-kind fountain has a long rectangular basin composed of large basement stones and thick flat copings, 3 small pediments with finely molded cornices, connected by antique wrought iron gates and 2 sculpted stone corbels. Ancient water outlets in wrought iron and metallic bucket-rest bars. Beautiful natural patina.
