

Elegant antique wall fountain with superb hand sculpted capital in stone

Beautiful wall fountain crafted in old and patinated natural stones. The semi-octagonal basin is formed of massive basement stones topped by thick and wide molded margins. The semi octagonal column at the bottom of the basin is exceptional ! This is due to all the magnificent hand-sculptures, and more especially those sculpted on the imposing and elegant capital. Antique cast iron water outlet.

Height 205 cm

Width 220 cm

Depth 145 cm

- Basin's height : 55 cm

Price

7360 €
