

# Small-size water fountain in patinated Provencal stone

This small-size garden fountain is a charming wall fountain hand-carved in "Estailades" stone from Provence. It is made of a shallow monolithic trough sold with a pair of metallic rest-bucket bars, a thick base and a slender one-piece pediment carved into a rounded "bollard" shape. The small wrought iron water outlet is highlighted by an antique metallic rosette.

Height 123 cm

Width 50 cm

Depth 95 cm

- Height of the base : 13cm - Basin's height : 20cm

Price

**970 €**
