

Rustic-looking wall fountain in massive reclaimed stones and its wrought iron water outlet

This quite imposing garden fountain made of authentic reclaimed stones is a unique and original fountain thanks to its very "country-like" design and the large and massive rustic stones that compose it. This fountain is fitted with an old wrought iron water spout decorated with a fine forged volute. Beautiful natural patina of time.

Height 175 cm

Width 170 cm

Depth 145 cm

- Basin's height : 67 cm

Price
3610 €
