Large antique wall fountain with a hand-sculpted head and molded basin

This exceptional garden fountain is a unique water feature crafted in Provence from beautiful reclaimed antique stones bearing an unparalleled natural patina of age. Its wide and low basin features concave thick stones and generous molded coping stones. The worked stone pediment is adorned with sculpted corbels, a mascaron serving as water spout, and 2 relief columns. The cornice is superb, with its staggered moldings.

Height	165 cm
Width	390 cm
Depth	195 cm

- Basin's : 40cm - Coping stones : W 37cm x H 10cm

Price
16000 €
