

Large ancient marble sink with tray and drainer

This hard stone reclaimed sink features a deep bassin and a grooved drainer. It is rectangular in shape and has been cut into a single block of stone. All interior and exterior angles have been rounded. The sink has already been drilled but is supplied without the water pluig. Beautiful patina and natural wear of time.

Height 27 cm
Width 170 cm
Depth 70 cm

Price
2000 €
