Hexagonal gazebo in aged natural stone and reclaimed wrought iron

This elegant hexagonal-shaped gazebo is a unique model made of a thick stone structure embellished with antique open-worked wrought iron railings. The wrought iron top-structure is decorated with nicely forged scrolls which can also be found in the corners at the top of the frames. The stones bear a beautiful natural patina.

Height	320 cm
Width	300 cm
Depth	260 cm

Price
8900 €
