

Round well in weathered stones with its wrought iron top and pulley

This elegant circular well, a unique model, is a beautiful garden decoration. It is made of a thick molded base followed by 3 rows of paired stones topped by wide and thick copings. The later are finely molded inside and out. Its old wrought iron shaft top has a large pulley. Beautiful natural patina of time.

Height 225 cm

Diameter 140 cm

- Height of the stone well : 100 cm - Inner diameter : 90 cm

Price
7490 €
