

Rustic garden set in carved limestone : 1 long table and 2 matching benches

This large massive stone table (a thick rectangular tabletop resting on 2 straight legs) is sold with its two matching stone benches. These long benches in stone feature a long and thick seating stone and a pair of massive straight legs. This charmingly rustic-looking garden furniture in carved limestone would be ideal for 8 to 10 guests. Unique model carved from frost-resistant limestone.

Weight 1800 kg
