

Superb large round trough in ancient patinated stone with base

This large round trough in patinated natural stone is a unique model. The trough rests on a thick circular base. It is carved in a massive hard limestone that is frost resistant. This trough would be ideal as a flower pot to decorate your garden or terrace ! Its rustic look and the beautiful natural patina of the stone give it all its charm.

Height 70 cm

Diameter 130 cm

- Internal diameter : about 95 cm

Price

4000 €
