

### Antique trough in patinated hard stone of rectangular shape

This old monolith trough of great dimension is a beautiful ancient trough made of hard patinated stone. It would be perfectly adapted transformed into a robust planter to put small shrubs, fruit trees, hydrangeas, ... This trough shows a beautiful natural wear of time and is already pierced with a small hole at the bottom to let the water flow. Easy to install and maintain !

Height 65 cm  
Width 129 cm
