

Antique troughs, wash-houses, wash-basins and laundry sinks

Antique rectangular troughs in stone

Rustic-looking long stone trough for a charming planter

Made from natural limestone that is frost-resistant, this large rustic-looking trough is a unique model. It could be diverted into a planter to accommodate small shrubs or bamboos for example, or could be used as a pond for water lilies, or even more simply, just as a decorative item !

Height 60 cm

Width 170 cm

Depth 65 cm
