

Antique troughs, wash-houses, wash-basins and laundry sinks

Antique rectangular troughs in stone

Large antique trough in massive stone with pretty patina of time ** **SOLD**

This large reclaimed stone trough is an old food-pantry that was handcrafted by a stonemason of the time. This monolithic trough was carved out of a single block of hard limestone. Nicely worn and weathered by time, it now would be of perfect size to be transformed into a robust planter. For a full of charm and ecological outdoor decoration !

Height 48 cm
Width 103 cm
Depth 75 cm

Price
1200 €
