

Antique troughs, wash-houses, wash-basins and laundry sinks

Antique rectangular troughs in stone

Large old solid trough in patinated and time-worn stone

This wide and deep massive stone trough is an old country-style hard limestone trough. It could now be used as a decorative trough in a garden, or as a robust and ecological planter or even transformed into a fountain. Beautiful natural patina of time.

Height 86 cm

Width 150 cm

Depth 93 cm

- L 132cm x D 77cm x H 73cm (approx) inside

Price
2480 €
