This old small monolithic trough was carved into a hard natural limestone of ocher / dew color. It has a beautiful round basin dug in its center. Imagine-it transformed into a flower box or a small outdoor sink. The stone bears a beautiful natural patina of time and a rough stone look on one side. Rounded front edges and drainage holes. One-of-the-kind. Sold as is.

Height 19 cm

Width 40 cm

Depth 30 cm

- Diameter of the basin: 30 cm (approximately)
