

**Ancient semi-openwork riveted
wrought-iron door with glass panel **
SOLD**

This old door is made of riveted wrought iron and presents a large glass panel at the back (that can be taken off). This ancient gate is composed of a square iron frame and round iron bars decorated with beautiful forged motifs. This garden door is sold in its juice and with its fastening hinges. Beautiful natural rust patina on the surface.

Height 180 cm
Width 70 cm
