Antique wrought iron gate with two high and narrow doors ** SOLD

This old gate with 2 doors is a beautiful antique wrought iron construction dating from the 19th. This gate is a fairly sober gate. Panneled on about 3/4, it offers a pretty forged decor of rosettes in the center of the 4 panels and beautiful moldings on their periphery. The frame is made of square iron and the bars are in round iron.

Height	227 cm
Width	139 cm
